My favorite thing about the past week is how much I've been able to do in a short time. I've been able to finish up my work and have some time to relax. I've also been able to spend time with my family and friends. I've been able to do all of these things in a short time, which is a great feeling.

What was your least favorite thing about the past week?

If you were teaching this course, what would you do differently? In the future, I would like to have more time to discuss the material in more detail.

Yes - it was a chance to offer such a new concept in such an engaging manner.

General

What was your favorite thing about the past week?

I liked the decryption thing we did on the first day.

What was your least favorite thing about the past week?

~~Grammar because~~ Making all the flash cards

If you were teaching this course, what would you do differently in the future?

I think the grammar aspect was a little hard to understand, so I would try to explain it more clearly.

Would you recommend this course to someone else? Why or why not?

Yes because it's a completely new subject that you can't really self-teach. The reason why I chose this class was because it was something completely new and intriguing.
